About B. H. College, Howly

The origin of B. H. College dates back to January 1964. Initially, the B. H. College was established in the year 1966 with only Arts faculty. The opening of the Commerce Stream in 1973 and subsequently Science Stream (H.S.) in 1988, Science Stream (UG) in 1996 and post-graduation in Commerce in 1990, and PG in Assamese and Education in 2018 enabled this institution to emerge as the only full-fledged three faculty institution in Lower Assam under Gauhati University. The college was accredited with 'A' (CGPA 3.11) grade by NAAC in the 2nd cycle of NAAC assessment (2015-16). The strength of this institution lies in its academic achievements and healthy environment. A rural college, essentially catering to the academic needs of local youth coming from families of cultivators and poverty-stricken multitude, requires a very soft-careful managerial acumen in its build-up process. The institution aims at imparting knowledge of various disciplines amongst the youths of rural and semi-urban populace of the region to make them responsible and competent to face the challenges of modern world and contribute towards the uplift of the society.
